Background & Duties			
<p>BACKGROUND</p> <p>There are 28 million (28,000,000) small businesses in the US with over 500,000 new ones starting each year. According to the United States Small Business Administration (SBA), the primary concern/constraint reported by small business owners is inadequate capital to start and grow their business.</p> <p>Innovative Capital Strategies, Inc. (ICS) has been retained by a 501(c)(3) non-profit that is a member of the Money Smart Alliance developed by the SBA and the FDIC to develop Joint Venture Partners nationally to both assist small businesses and create a robust national distribution model (other Joint Venture Partners).</p> <p>This is a very credible model. Our approach to raising capital provides every participating small business a minimum of a \$100,000 capital raise and was developed by former SBDC Advisors, SCORE Mentors, and small business bankers.</p> <p>THREE SIMPLE STEPS TO BE CONSIDERED</p> <ol style="list-style-type: none">1. Submit an inquiry. Email us at JV@InnovativeCapitalStrategies.com to let us know you are interested and why. If approved, we'll send you a DocuSign packet to execute your Joint Venture Partnership.2. Submit a \$2,500 deposit. The deposit is fully refunded once the Joint Venture Partner License Agreement is funded. Additionally, ICS guarantees financing of the License Agreement once the deposit is submitted.3. Immediately begin earning \$50,000 per conversion. Joint Venture Partners IMMEDIATELY begin earning 50/50 income share from new JV's brought on and begin earning 50/50 from Capital Ready Clients once their license is fully funded. <p>PRIMARY DUTIES OF JOINT VENTURE PARTNERS</p> <ol style="list-style-type: none">1. Create community awareness of the Capital Ready Program. As described above, earn ~\$6,000 per client enrolled.2. On-board new Capital Ready Clients enrolled with three simple steps. We'll train you how (simple and fun).3. Create additional Joint Venture Partners, i.e., key influencers, churches, chambers, business organizations, etc. and earn \$50,000 for each developed.
